MAKE YOURSELF PRESENTABLE.

You may not be a beauty. It is not given to every woman to be beautiful. It is not given to every man to be handsome, but we can all make ourselves presentable. We can all "groom" ourselves so as not to be physically obnoxious to fastidious people. This matter is exceedingly important to colored people as well as white. Men cannot secure and keep the best positions in banks, clubs and business houses unless presentable and physically acceptable. Girls cannot keep the best positions in commercial and domestic life nor win the best husbands, nor get along as well in the world in any manner unless they make a presentable appearance. All this is just as important for colored women as for white women.

Before "Complexion Wonder" was discovered, every ambitious white woman in the United States used some kind of powder or cold cream. Now they are learning to use "Wonder." This is the first discovery ever made which works for colored skin better than white skin. Now the people who use "Wonder" are mostly white women. It is high time colored women and colored men were learning to use it. You must also have your hair dressed attractively. If it is too short, use "Wonder Hair Grow," which is a fertilizer for the scalp just as fertilizers in the corn field make the corn stalks grow, so Wonder Grow helps the scalp to feed the hair so it will grow longer. If your hair is too kinky, use "Wonder Uncurl" and the "Wonder Comb." The Comb costs but fifty cents, and will last a life time.

M. B. Berger & Co. 2 Rector St., New York, inform us they will send any of these articles, free delivery, for fifty cents in Post Office order or postage stamps.

Straighten Your Hair

DEAR SIR:—I have used only one bottle of your pomade and now I would not be without it, for it makes my hair soft and straight and easy to comb and also starts a new growth.

Mrs. W. F. WALKER, Sta. I—Hartman, Tenn.

Ford's Hair Pomade

(Formerly known as Ozonized Ox Marrow)
Fifty years of success has proved its merits. The use of Ford's Hair Pomade makes stubborn, harsh, kinky or curly hair straight, soft and glossy and easy to comb, and arrange in any style desired consistent with its length. Removes and prevents dandruff, invigorates the scalp, stops the hair from falling out or breaking off and gives it new life and vigor. Absolutely harmless—used with splendid results even on the youngest children. Delicately perfumed, its use is a pleasure, as ladies of refinement everywhere declare. Ford's Hair Pomade has imitators. Don't buy anything else alleged to be "just as good." If you want the best results, buy the best Pomade—it will pay on. Look for this name
